DESIGNING SINCE: 2010

JOINED KSI: 2013

DEGREE(S): B.S. INTERIOR DESIGN, CENTRAL MICHIGAN UNIVERSITY

Combining high function and pleasing aesthetics makes Amanda a great resource for her clients to make their vision a reality. She shares her client’s enthusiasm and really listens to understand what excites them and works for their lifestyle. “There is an overwhelming array of choices in products and materials today. It’s my role to guide my clients through the process.”

Amanda’s creativity and design expertise allow her to make recommendations that will help her clients make successful decisions. Amanda graduated with a Bachelor’s degree in Interior Design from Central Michigan University, which is accredited by the Council for Interior Design Accreditation. Her design and customer service experience has provided her with the skills to take her clients through the process of a remodel or new construction project. She believes that your environment truly does have an effect on your productivity, organization, mood, and overall well-being. Amanda is motivated by creating and executing designs that will have a positive impact on the people using those spaces.
