Designer

**DESIGN CENTER:** BRIGHTON, MI  
**DESIGNING SINCE:** 2000  
**JOINED KSI:** 2018  
**DEGREE(S):** B.A. INTERIOR DESIGN, KENT STATE UNIVERSITY

Lisa is a specialist when it comes to designing beautiful interior spaces that work for the lifestyle of her clients. In addition to her Kitchen and Bath industry experience, years of conducting in-home cooking demonstrations has honed her expertise in kitchen layout and function. "After cooking in hundreds of kitchens, you really gain an understanding of what works and what doesn't." She loves problem solving, innovating and sharing creative recommendations with her clients.

When it comes to design, Lisa appreciates and enjoys working in the full range of styles. "It's really important to understand what excites and inspires my clients. My goal is to translate their needs into the space they've always dreamed of."

Lisa's interests are multifaceted. In addition to spending time with her family and pursuing a variety of creative outlets, Lisa likes traveling, boating and kayaking.
