Zey's mission is to create ideal environments for homeowners, tailored to their personal needs and vision. Specializing in custom home and residential remodeling, Zey focuses on space-planning, function, and aesthetics.

With more than 20 years of experience in home design and remodeling, Zey is also an adjunct professor at the Center for Creative Studies, Eastern Michigan University, and Henry Ford Community College. Teaching allows Zey to remain current in trends, innovative products, and design technique. By studying the marketplace, community, and classroom, Zey uses these experiences to create adaptable spaces for homeowners' evolving needs.

Zey's designs have been published in Detroit Home, Signature Kitchen Magazine and the catalog of a national design supplier.

YOUR HOME.
 BY DESIGN.
 FOR LIFE.
